Kia Connect

How to activate Kia Connect In-App Services.

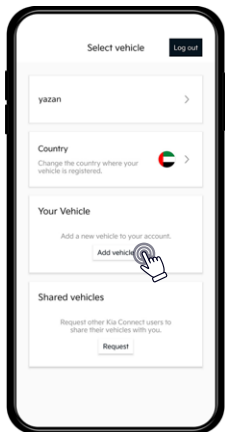

Step 1

Download the Kia Connect App from the App Store or Google Play.

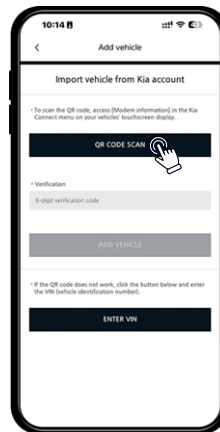

Step 2

Create a Kia Account or use your existing Kia Account to log into Kia Connect.

Step 3

Click on "Add" for "Your vehicle" in the "Select vehicle" section of the app. Read and accept the "Terms of Use" and the "Privacy Notice".

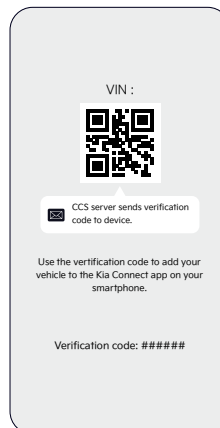

Step 4

Verify your vehicle by:
1. Scanning the QR code
from the Kia Connect App
2. Manual input

Step 5

With compatible vehicles, scan the QR code, which can be found on your navigation screen in the Kia Connect section. In this way, the infotainment system will immediately confirm that the verification code has been downloaded to the system. Confirm by clicking on "Yes".

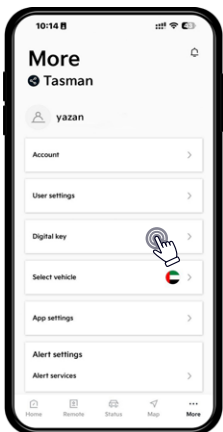

Step 6

CCS server sends verification code to device

Kia Connect
